# *Luzzatto in Amsterdam*

*Mussar Summer Academy 2017*

**2017 June 22 - 24** Keynote speaker: Alan Morinis, author of *Every Day Holiness*

Moshe Chaim Luzzatto lived in Amsterdam between 1735 and 1743. His book *'Mesillat Yesharim'* (Path of the Just) is considered to be one of the classics in the Jewish spiritual tradition.

Why was *'Messilat Yesharim'* written in a non-Kabbalistic way? Was Ramchal considered a Jewish mystic? What is known about Luzzatto's years in Amsterdam? You will experience a mix of lectures & workshops about Mussar and Jewish entertainment. The venue is in the recently restored Uilenburger synagogue in the Jewish Cultural Quarter in the heart of Amsterdam.

Evening programs include a Candlelight Concert in the Esnoga, the late 17th-century Sephardic synagogue, Shabbat services and kosher finger food.
